## Israel: A Light unto the Nations

### Those who demonize Israel are either misinformed or malevolent

If that proverbial man from Mars came to visit and read the world's newspapers, especially those in the Arab and Muslim world, he would be convinced that Israel was the most evil nation in the world and the source of all of the world's strife.

#### What are the facts?

**A nation to be emulated.** The reality, of course, is that Israel is a nation, a society, that should be admired and emulated by many countries in the world. The very fact of how the State of Israel came into being is one of the most inspiring in history. Born out of the ashes of the Holocaust, it has emerged as one of the most advanced, productive and prosperous countries in the world.

The demonization of Israel, assiduously cultivated by the Muslim world, has reached a crescendo following Israel's recent defensive action in Gaza.

Instead of being grateful to the hated Jews for having totally withdrawn, the Palestinian Gazans showed their gratitude

by almost daily pounding Israeli towns with close to 10,000 rockets and bombs. After countless warnings, Israel ultimately decided to put an end to this travesty.

When Israel finally did invade Gaza it took the most elaborate precautions not to hurt civilians. As a first in the history of warfare, Israel dropped tens of thousands of leaflets, warning the population and urging it to abandon areas in which military action would take place. The Israeli military made thousands of phone calls urging people to leave areas that would come under attack. But fighting in a densely populated environment is difficult and loss of civilian life is hard to avoid. Hamas fighters wear no uniforms. It is impossible to tell them from civilians. Is a person who allows a rocket launcher in his backyard a civilian or a fighter? And how about using schools, hospitals and mosques as munitions depots and staff centers? The hue and cry of Israel's demonizers in accusing it of "disproportionate force" is totally absurd. The ultimate insult, comparing Israel to the Nazis, is freely bandied about by Israel's detractors.

**Israel is not an "apartheid state."** Another familiar tack of Israel's vilifiers is to call it an "apartheid state," on the

In spite of demonization and vilification by so much of the world, Israel is indeed a Light unto the Nations. The State of Israel is the foremost creation of the Jewish enterprise and Jewish intellect that has benefited every country in which Jews dwell, certainly our own country, the United States. Second only to the United States itself, Israel is the world's most important factor in science and technology, way out of proportion to the small size of its population. Israeli Jews are at the forefront of the arts, the sciences, law and medicine. They have brought all these sterling qualities to bear in building their own country: Israel. By necessity, they have also become outstanding in agriculture and, most surprisingly, in the military. What a shame that the Arabs opted not to participate in this progress and this prosperity and chose instead the path of revenge, of Jihad and of martyrdom. As the prophet Isaiah presaged: Israel is indeed a Light unto the Nations.

model of former South Africa. But that is so ridiculous, so preposterous, it is hard to believe that serious people can countenance it. The exact opposite is the case. Israel is the only country in its benighted neighborhood in which people of all colors and religions prosper and have equal rights. Israel, expending substantial effort, rescued tens of thousands of black Jews from Ethiopia. And it has given assistance and absorbed countless Christian expatriates from Sudan, who escaped from being slaughtered by their Muslim countrymen. Israel's over one million Arab citizens

enjoy the same rights and privileges as their Jewish fellows. They are represented in the Knesset, Israel's parliament, and are members of its bureaucracy, of its judiciary, and of its diplomatic service.

All over the world, Leftists, including in the United States and, sad to say, even in Israel itself, tirelessly condemn and vilify Israel. Why would they do that? First, of course, there is good old-fashioned anti-Semitism. Second, many of those who hate the United States vent their poison on Israel, which they consider being America's puppet in that area of the world. But Israel should certainly get top grades in all areas important to the Left. In contrast to all its enemies, Israel has the same democratic institutions as the United States. All religions thrive freely in Israel. Also, in contrast to all of its enemies, women have the same rights as men. The Chief Justice of Israel's Supreme Court is a woman. One-sixth of the Knesset are women. Compare that to Saudi Arabia, a medieval theocracy, where women are not allowed to drive cars, where they cannot leave the country without permission of a male relative, and where they can be and often are condemned to up to 60 lashes if the "modesty police" deems them not to be properly dressed in public. Gays and lesbians are totally unmolested in Israel; in the surrounding Muslim countries they would be subjected to the death penalty.
