Pro-Palestinian demonstrators attack Jews entering a synagogue in West Los Angeles, accusing them of "genocide"—just one of many antisemitic attacks by militants who oppose not only Jews and Israel, but also the United States.

What can we do? Acts of hatred against Jews and Israel are erupting every day, hurting real people . . . right before our eyes:

- Elderly Jews who dared attend a pro-Hamas meeting at a [public library](#) in North Carolina were assaulted and dragged out of the building. Only one arrest.
- Thugs harassed three Jews on a street in Philadelphia, insisting they answer, "Are you Jewish?"—then violently attacked them. No arrests.
- Pro-Palestinian protestors screamed at and attacked Jews entering a synagogue in West Los Angeles. Police stood aside and watched—no arrests.

Even worse: We both know this antisemitic uprising is *not* just about hate for Jews and Israel—it's also about hate for America:

- When campus demonstrators shout "globalize the intifada"—they're demanding that students take their jihad to American streets.
- When Arab militants in Dearborn, Michigan lead their followers in chants of "Death to America," they echo incitement by Iran's ayatollahs.
- When Hamas spokesman Husam Badran says "Arab and Islamic countries must clearly stand against . . . the Western world, especially the United States," we must believe him.

One thing is certain: Israel is a bulwark of Western civilization—if Israel is defeated, it's the beginning of the end for all we hold dear.

Clearly, the stakes are high. That's the reason FLAME fights to defend Israel against slander—on

THIS MONTH'S AD APPEARED IN MEDIA REACHING 10 MILLION PEOPLE NATIONWIDE.

YOU DESERVE TO KNOW THE TRUTH...

Stop Terrorism on Campus

Attacks on Israel and Jews on scores of American universities have exploded into a jihadi-fueled, violent revolution against American freedoms and values

While protesters violate school rules, state and federal laws—waving and destroying campus property, refusing access to Jewish students and physically attacking those who disagree with their terrorist ideology—quiescent college administrators have failed to stop the insanity!

What are the facts?

Anti-Semitic acts on U.S. college campuses have skyrocketed by 70% since Hamas' October 7 massacre in Israel—and they've become more violent. Jewish students have been harassed, harmed from afar, and physically attacked by pro-Hamas demonstrators, reminiscent of Nazi behavior in 1938 Germany. Scandalously, while schools (often) have speech against Black, Muslim and LGBTQ+ students, they refuse to protect Jewish and pro-Israel students.

Massive campus administrations—and faculty—have become so embroiled, they no longer take their own for the United States, waving down American flags and replacing them with those of non-existent "Palestine." Truth, they reject such liberties as freedom of speech, routinely seize and destroy school property and deny state-fund institutions even general free speech.

Anti-American and genocidal goals inspired by Islamist terror: No wonder pro-Hamas protesters paint the walls of Jewish kindergartens, from "Death to America/Death to Israel!" No surprise, either, that campus protesters chanted such extreme threats and drove attacks on Israel recently. They shouted goal is to "globalize the intifada." Militants support the pro-Hamas mission to create an Islamist caliphate, as well as the terrorist group's slaughter of some 1,200 innocent Israeli, Jewish, the media showed "From the river to the sea, Palestine will be free," a demand the U.S. House of Representatives recently declared to be antisemitic—call for genocide of seven million Israeli Jews.

A revolution of hate that opposes civil liberties and academic freedom: This violent revolutionary movement is rooted in neo-Marxism, which divides the world into oppressors and oppressed. The ideology, which holds dominant American university culture, has inspired both critical race theory (CRT) and Diversity, Equity and Inclusion (DEI) policies. It classifies people, organizations and nations into categories of good and evil according to their location on the oppressor-oppressed scale. Oppressors are induced to defend "as any means necessary"—a slogan seen at many anti-Israel protests. Campus revolutionaries and their faculty members consider Jews, Israel and the U.S. to be "white" oppressors and therefore subject to violent "resistance"—such as breaking into and setting buildings, attacking Jewish students, and preventing " Zionist" students' access to their own campus.

College administrators have scandalously failed to do

their jobs: Their two foremost responsibilities are to protect students' safety and academic freedom. That means non-violence for harassment or intimidation of Jewish or any students. It means honoring the speech for truth and free expression—and forbidding "cancel culture." Finally, administrators must apply policies fairly. If they speech or call for genocide against any ethnic group on campus is not permitted, college administrators cannot allow anti-Semitism or calls for Israeli destruction.

Four ways Americans can shut down terror on campus.

1. College administrators who fail to speak out and take speech—must fail to protect students' freedom—should be removed. Students who violate school policies on hate speech, harassment, flag desecration, or trespassing should be suspended or expelled. Faculty who do the same—ones whose work should be freed for cause.

2. Congress must increase penalties related to antisemitic and hateful behavior on campus, on schools and revocation of visas for foreign students who participate in antisemitic or antisocial activities.

3. Colleges should face dire legal consequences for failing to stamp out antisemitism. Already Columbia University faces a lawsuit that alleges "wreck-the-school" harassment of Jewish students, who have been punched, shoved, spat on, blocked from attending classes and warned fresh about campus. Dozens of other U.S. colleges face similar federal lawsuits.

4. Donors should withhold gifts from colleges that refuse to act against antisemitism. Many donors have already caused their giving, including Robert South, CEO of the New England Patriots, who pulled his support from Columbia University due to unacknowledged Jew-hatred.

The current behavior of "pro-Palestinian" militants at American colleges and universities is hateful, harmful and too often unacknowledged on campus. If your outrage is not being addressed by Jewish college students were directed against any other ethnic or "organizational" group on campus, you would not be a rational law-abiding, fit citizen, most parents and sons. Time to shut down the insanity.

It's also the reason we take this fight to the media—so we can spread the truth to millions of *fair-minded* Americans and convince them of Israel's righteous cause.

We won't win this battle against the haters by sitting on our couch, complaining of lies by students, reporters, the U.N. and Hamas. We will win by making a powerful case in mass media—on behalf of Israel *and* the United States.

Dear Friend of Israel, Friend of FLAME:

It's no secret. Mainstream media are deceiving us. We now see clearly how they scandalously ignored, then lied about President Biden's mental health.

So, no surprise the media deceive us equally about Israel's war against Hamas: Bogus civilian death counts, the famine hoax, the fake Israeli-hostage-rescue "massacre."

Likewise, the media portrayed pro-Palestinian demonstrators on campus to be peaceful "kids"—even as they vandalized school buildings, blocked Jewish students from entry and chanted genocidal slogans, like "from the river to the sea, Palestine will be free."

Virtually *never* did the media condemn those college presidents and deans who allowed the mayhem to erupt . . . and continue for weeks on end.

HOW FLAME'S NEW EDITORIAL IN MAJOR MEDIA EXPOSES THE HYPOCRISY OF COLLEGE ADMINISTRATORS

While Jewish students were harassed, threatened, physically blocked and attacked at dozens of major universities in recent months . . . school administrators were uniformly negligent in shutting down antisemitic, genocidal hate speech.

If this hypocrisy bothers you, I think you'll cheer FLAME's powerful new ad—a full 8 ½" x 11" sheet size—which we published last week in the *New York Post*, *Tampa Bay Times*, *Denver Post*, *Chicago Tribune*, *Washington Post*, *Mercury News* and the *Wall Street Journal*.

► **"Stop Terrorism on Campus"**—this ad demands school administrators be held to account and outlines four ways Americans can shut down terror on American campuses.

I hope you'll support our placement of this ad in U.S. media reaching millions of Americans nationwide, including *Senators and Representatives* in Washington DC. We have run this ad—at a cost of \$139,000. Now we have to pay for it, Can you please help us?

Stop Terrorism on Campus

Attacks on Israel and Jews on scores of American universities have exploded into a jihadi-fueled, violent revolution against American freedoms and values

While protesters violate school rules, state and federal laws—seizing and destroying campus property, refusing access to Jewish students and physically attacking those who disagree with their terrorist ideology—spiteless college administrators have failed to stop the anarchy.

What are the facts?
Antisemitic acts on U.S. college campuses have skyrocketed by 700% since Hamas's October 7 massacre in Israel—and they've become more violent. Jewish students have been harassed, barred from entry, and physically attacked by pro-Hamas demonstrators, reminiscent of Nazi behavior in 1930s Germany. Scandalously, while schools forbid hate speech against Black, Muslim and LGBTQ+ students, they refuse to protect Jewish and pro-Israel students.

Moreover, campus demonstrators—and faculty—have become so emboldened, they no longer hide their scorn for the United States, tearing down American flags and replacing them with those of non-existent "Palestine." Finally, they reject such civil liberties as freedom of speech, routinely seize and destroy school property and defy rules of law, authoritarians have ignored the lawbreaking.

Anti-American and genocidal goals inspired by Islamist terror: No wonder pro-Hamas protesters parrot the motto of global jihad sponsor, Iran: "Death to America! Death to Israel!" No surprise, either, that campus protesters chanted Iran's massive missile-and-drone attack on Israel recently. Their shouted goal is to "globalize the intifada." Militants support Iran proxy Hamas's mission to create an Islamist caliphate, as well as the terrorist group's slaughter of some 1,200 innocent Israelis. Finally, the radicals advocate "From the river to the sea, Palestine will be free," a demand the U.S. House of Representatives recently declared to be antisemitic—a call for genocide of seven million Israeli Jews.

A revolution of hate that opposes civil liberties and academic freedom: This violent revolutionary movement is rooted in neo-Marxism, which divides the world into oppressors and oppressed. The ideology, which today dominates American university culture, has inspired both critical race theory (CRT) and Diversity, Equity and Inclusion (DEI) policies. It classifies people, organizations and nations into categories of good and evil according to their hierarchy on the oppressor-oppressed scale. Oppressors are subject to defeat "by any means necessary"—a slogan seen at many anti-Israel protests. Campus revolutionaries and their faculty mentors consider Jews, Israel and the U.S. to be "White" oppressors and therefore subject to violent "resistance"—such as breaking into and seizing buildings, attacking Jewish students, and preventing "Zionist" students' access to their own campus.

College administrators have scandalously failed to do

their jobs: Their two foremost responsibilities are to protect students' safety and academic freedom. That means zero tolerance for harassment or intimidation of Jewish or any students. It means honoring the search for truth and free expression—and forbidding "cancel culture." Finally, administrators must apply policies fairly. If hate speech or calls for genocide against any ethnic group on campus is not permitted, college administrators cannot allow antisemitism or calls for Israeli destruction.

Four ways Americans can shut down terror on campus:

1) College administrators who fail to punish violence and hate speech—and/or fail to protect academic freedom—should be removed. Students who violate school policies on hate speech, harassment, illegal assembly, or trespassing should be suspended or expelled. Faculty who do the same—even those with tenure—should be fired for cause.

2) Congress must increase penalties related to antisemitic and unlawful behavior on campus, including violence. These should include harsh financial sanctions on schools and revocation of visas for foreign students who participate in antisemitic or unlawful activities.

3) Colleges should face dire legal consequences for failing to stamp out antisemitism. Already Columbia University faces a lawsuit that alleges "round-the-clock" harassment of Jewish students, who have been punched, shoved, spat on, blocked from attending classes and moving freely about campus. Dozens of other U.S. colleges face similar federal lawsuits.

4) Donors should withhold gifts from colleges that refuse to act against antisemitism. Many donors have already canceled their giving, including Robert Kraft, CEO of the New England Patriots, who pulled his support from Columbia University due to unchecked Jew-hatred.

The current behavior of "pro-Palestinian" militants at American colleges and universities is hateful, harmful and too often unlawful—it's terrorism on campus. If recent outrages suffered by Jewish college students were directed against any other ethnic or "marginalized" groups on campus, it would not be tolerated for a minute, let alone recent months and years. Time to shut down the injustice.

HOW FLAME HELPS ISRAEL WIN TODAY'S INFORMATION WAR. HOW WE CAN SPREAD THESE TRUTHS IN MAINSTREAM MEDIA.

My friends, I think you'll agree that the mounting antisemitism and ominous drumbeat of anti-Israel reporting in the media these days is unprecedented . . . and scary.

But here's a bright glow of hope: As you know, for decades FLAME has been at the forefront of the Information War—defending Israel against the wide range of falsehoods her enemies aim at her.

Here are just some of editorial media ads FLAME has run to spread the truth . . . and defend the Jewish state in mainstream media (see hundreds of them under “PR for Israel” at www.factsandlogic.org.)

- **“The Israel Genocide Slander”**—refutes the lie that Israel attacks any people because of race or ethnicity and proves world-class Palestinian population growth: This ad reached nearly 5 million people in the *Washington Post*, *Chicago Tribune*, *New York Post*, *Houston Chronicle* and *Orlando Sentinel*.
- **“Demand Justice for Jewish Students”**—shows skyrocketing anti-Zionist bullying on college campuses, calls to ramp up prosecution of negligent administrators: Delivered to 5.5 million readers in the *Wall Street Journal*, *Washington Post*, *Chicago Tribune*, *New York Post*, *Houston Chronicle*.
- **“What Is Occupied Palestinian Territory?”**—proves there's no such thing as “Palestinian territory” and why Israel's governance is lawful and just: It was seen by millions in the *New York Times* and *Washington Post*.
- **“The Palestinian Catastrophe”**—explains why Palestinians' real “nakba” was their failure to accept Israel's many offers of land for peace and their own state: It reached 7 million readers the *Washington Post*, *Los Angeles Times*, *Chicago Tribune*, *New York Post*, *Miami Herald*, *Houston Chronicle* and *Orlando Sentinel*.
- **“Democracy Thrives in Israel”**—disproves accusations that Israel commits apartheid and shows why Israel is ranked the world's 23rd most successful democracy (ahead of the U.S.): It ran in *New York Times*, *Washington Post*, *Los Angeles Times*, *Chicago Tribune*, *New York Post*, *Miami Herald*, *Houston Chronicle* and *Mercury News*.

HOW MEDIA AND UNITED NATIONS SUPPORT THE ANTI-JEWISH, ANTI-ISRAEL DRUMBEAT . . . AND HOW FLAME FIGHTS BACK

- **UN BLOOD LIBEL:** CNN, Reuters and the Guardian repeat the UN lie: “Israel has been intentionally starving the Palestinian people in Gaza,” according to unnamed “UN experts.”

FLAME EXPOSES: I hope you read FLAME's recent exposè, which proves how Israel supervises tons of food shipped to Gaza, that “starvation” is overstated, and that yet again the culprit is the terrorists: **“ [Hamas steals food aid from its citizens, yet the media and politicians blame shortages on Israel.](#)”** This message has reached tens of thousands of Americans.

- **FAKE GAZA DEATH TOLLS:** Every day, NPR and other media outlets parrot death statistics issued by Hamas's notoriously discredited “Gaza Health Authority” without mentioning that the deaths include *13,000 armed fighters*—or that there's zero substantiation for their death tolls at all.

FLAME PUSHES BACK: To see how many ways Hamas lies about civilian casualties, how the media swallow it all, and how the *real statistics* show that [Israel's a hero](#) . . . check FLAME's Hotline article on **“[Why the media cite fake 'death tolls' in the Gaza war.](#)”** Again, we delivered this truth to tens of thousands of Americans.

- **CEASEFIRE SCAM:** The UN, the Vice President, and “stars” at the Academy Awards demand a “ceasefire now”—but neither they nor the media ever explain how a ceasefire would help Israel, the missing hostages, or Palestinians in Gaza. In fact, it would be a disaster.

FLAME REFUTES: Truth is, only the war-criminal terrorist group, Hamas, which *started the war* with its savage massacre on October 7, would benefit from a ceasefire. To get the facts, I urge you to review our hard-hitting article, **“[Promoting a Gaza ceasefire ignores the most promising option—Hamas's unconditional surrender.](#)”**

Let me be honest: If we really believe in “Never Again”—and winning the Information War—we must recommit to defending the Jewish people, the Jewish state . . . and the *truth*.

It means we can't give up, even for a day—we won't stop until we defeat the haters. We must raise our fists and our voices against the rising tide of antisemitic, anti-Israel *slander*.

As you know, we believe that the “regular people” can do this moment to defeat our enemies . . . is to **fight the lies** . . . and **spread the truth**.

A friend recently sent me this quote from Albert Einstein:

“The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing.”

Won't you please go now to **membership donation** before August 15 to help Israel win this Information War?

HELP FLAME PUBLISH THE TRUTH IN MAINSTREAM, SOCIAL AND COLLEGE MEDIA

Unfortunately, since October 7, the falsehoods against Israel have been piling up quickly. Almost as fast as we can refute them, our enemies invent new lies, **each more vicious** than the last.

It's the reason FLAME has created another new editorial ad that I want to share with you here. It's called **“Israel's Enemies Tell Five Big Lies.”**

MAINSTREAM MEDIA: We started running this ad—full sheet size, about 8 ½"x 11"—in the *New York Post*, *Washington Post*, *Los Angeles Times*, and *Chicago Tribune*.

With your help, we're about to run it again in *Tampa Bay Times* and *Denver Post*.

SOCIAL MEDIA: FLAME's robust Facebook campaigns allow us to reach **millions of Americans**. Already we're delivering this message—“Israel's Enemies Tell Five Big Lies”—to audiences of all ages.

COLLEGE MEDIA: Our latest messages debunking the greatest lies about Israel will begin reaching tens of thousands of college students via digital ads in **college newspapers** nationwide in early Spring, as soon as school is back in session.

(FLAME will spend tens of thousands more dollars on this nationwide college campus educational campaign. Your donation will help us spread the word to even more college students.)

Israel's Enemies Tell Five Big Lies

Following the worst massacre of Jews since the Holocaust, antisemites mount a series of vicious attacks, threats and malicious lies against Jews and Israel

With no shame or sign of humanity, the enemies of Israel have doubled down on their insistence that Israel is an illegitimate state that must be destroyed and that the savage slaughter of 1,200 innocent Jews was justified—all based on five “Big Lies” about the Jewish state.

What are the facts?
The world for Jews and Israel will never be the same. Holyday College students receive official messages saying Zionists (i.e. most Jewish students) are not welcome in school dorms. Hamas official Chah Hamad, in a TV rant, swears Hamas will repeat October 7 until Israel is annihilated. West Bank Palestinian activist Abud Tamimi says “What Hitler did to you was a joke—we will drink your blood and eat your skull!”

They condone savagery based on utter lies
While Hamas's October 7 atrocity caused many Palestinian supporters to rethink their positions, the event only ignited an explosion of hate from Israel's enemies. Tens of thousands of demonstrators demanded not two states living in peace, but rather, “From the river to the sea, Palestine will be free . . . by any means necessary”—meaning, clearly, slaughter of Jews.

Power of Big Lies: Though Israel was the victim of a mass murder of innocent Jews, its enemies blame the Jewish state—not only for the Hamas massacre, but also for responding in defense. The reasons many blame Israel for the atrocity are based on five Big Lies. Big Lies were used by Nazi leader Goebbels, who noted that if he told an outrageous lie often enough, people would begin to believe it. Alternatively, if you use truth as a basis for your judgments, you may find these facts useful:

Lie #1: Israel is a colonial state that stole Palestinian land. A colonizer is a foreign nation that conquers and exploits another nation. First, the Palestinians have never owned any land in Palestine. They were also never a nation. Nothing was stolen. Second, Jews are the indigenous people of the land of Israel. They have lived there continuously for 3,000 years and had two commonwealths for over 1,000 years. They are not foreigners. No colonial state.

Lie #2: Israel commits genocide. Genocide is the intent to destroy a national, ethnic, social or religious group by killing its members. Israel does not, nor has ever, targeted innocent Palestinian civilians for attacks—no mass murders, no pogroms. All Palestinian civilian deaths have occurred as collateral damage while fighting terrorists who hide in residential or other public areas. Tellingly, the Palestinian population in and around Israel has mushroomed since Israel's founding in 1948—from about 700,000 to seven million today. No genocide.

Lie #3: Israel practices apartheid. Apartheid is a system of legalized racial segregation in which one racial group is deprived of political and civil rights. Israel has no laws or policies separating or limiting the rights of any of its citizens—including two million Arab Israeli citizens—nor any Palestinians outside Israel. Political and civil rights of all Palestinians outside Israel are controlled by their respective dictatorships, who allow virtually no freedoms, such as speech or the vote. No apartheid.

Lie #4: Israel is committing war crimes. War crimes include torture, hostage taking, acts of terrorism, rape and intentional targeting of civilians. While Hamas committed all these acts on October 7, Israel commits none. Though some media breathe at what they consider excessive civilian deaths during Israeli military efforts, in fact, Israel attacks only military structures and personnel—never civilian-only targets. Hamas places its fighters in dense residential areas or in tunnels beneath them, endangering civilians. No Israeli war crimes.

Lie #5: Israel oppresses the Palestinians. Oppression is the multilateral exercise of power to discriminate against some groups. Because Israel completely exiled Gaza in 2005, it has no power over the daily lives of Gazans. However, because of Hamas's continuous terror, especially efforts to kill Jews and destroy the Jewish state, Israel and Egypt blockaded Gaza to prevent terror attacks. Likewise, under the Oslo Accords, Israel and the Palestinian Authority share governance of Judea and Samaria (the West Bank), and Israel plays virtually no role governing Palestinians' daily lives. It enters Palestinian controlled areas only when terrorists flee to and hide in them. No Israeli oppression.

Above all, Israel and the U.N. have made numerous offers of land for an independent Palestinian state. Tragically, the Palestinians have turned down five offers of land for peace since 1948, three since the year 2000. Apparently, their dream of conquering Israel “from the land to the sea” has greater importance.

The hostility of the October 7 massacre shocked us—beheadings, incitement, rape, torture, heartless executions, Israeli kidnappings. Even worse, the gates have opened to unlimited Jew hatred on American streets and campuses—to condoning savagery with the excuse of Palestinian liberation . . . based on utter lies about the Jewish state. But Hamas and the haters should know that “Never Again” means fighting and defeating evil forever.

WHAT DOES ALL THIS HORROR IN ISRAEL HAVE TO DO WITH YOU AND ME?

When thousands of jihadi missiles rain down on Israelis—when terrorists shoot, rape, decapitate and kidnap innocent Jews—as they did in October and as they still do in Northern Israel—there's little you and I can do to help directly.

But here's where we can make a difference: We can fight the lies and misinformation.

By joining the *information war*—we can defeat the falsehoods and distortions that threaten Israel and the Jewish people . . . just as seriously as do rockets, machine guns and knives

Today FLAME's messages telling the truth about Israel reach tens of millions of people in top American daily newspapers and through FLAME's powerful Facebook channel.

WHAT CAN YOU DO TO SUPPORT ISRAEL TODAY? PLEASE STEP FORWARD AND RENEW YOUR FLAME MEMBERSHIP

How do we decide that now is the time to act? What does it take?

If ever in our lives we were called on to act to defend the Jewish people . . . and the State of Israel—the world's only refuge for Jews—surely now is that time.

Let's not forget the pledge that good people made after Holocaust: We took an oath—Jews and gentiles alike—declaring, "Never again."

We will not permit genocide against the Jewish people ever again.

So many people say they love and support Israel, but they simply don't know how to get involved. They don't have time or they don't have thousands of dollars to give.

I understand completely. But consider this: You don't have to donate hours of time, and you don't have to donate \$500 or \$100. You don't even have to donate \$50 or \$25.

You see, FLAME is supported by tens of thousands of members. One by one: We have strength in numbers.

More than 30,000 donors—people just like you, many who make very modest donations, many on fixed

incomes—help ensure our good work.

PLEASE HELP US STAND UP FOR THE TRUTH**

I hope you agree that FLAME's editorial messages, which appear in media reaching more than ten million readers—including college students—must continue educating Americans about these and other issues, such as the antisemitic BDS movement on campus.

I hope you also agree that FLAME's editorials spread the truth about Israel—a truth we can't depend on mainstream media to tell.

Finally, I hope you agree that Israel needs this kind of public relations—someone like FLAME to tell the inspiring story about the Jewish state—its virtues, values and accomplishments . . . and its strategic importance for our own country.

Who supports FLAME? Our media efforts are made possible by more than 30,000 passionate individual donors who love Israel and everything it stands for. They are people who strongly believe Israel deserves a fair shake in the media.

Thousands of our supporters are of the Christian faith, and we of course welcome their devotion and generosity.

Please be assured that FLAME is an educational non-profit organization and extraordinarily thrifty with the funds that you and other supporters contribute to us.

We work out of Spartan offices, much of our work is contributed pro bono and our part-time office-staff payroll is tiny.

By keeping expenses low, we're able to publish our monthly messages in major national magazines and metropolitan and small-town newspapers all across the U.S.

We also send our messages, with convincing cover letters, to all U.S. Senators and Representatives, the President, Vice President, Secretary of State and all Justices of the Supreme Court.

Won't you step forward—help us tell the truth about Israel? Please make your [membership donation](#) now—before midnight, August 15.

When you start or renew as a member of FLAME, you join tens of thousands of ardent Zionists who realize how precious Israel is to the Jewish people—and the world.

Let me leave you with one thought: The American people must know the truth about these issues—and about Israel's current war with Hamas. No more lies. No more fake stories.

Remember: The only thing limiting international persecution of Israel is the United States. We must continue to protect the Jewish state from her enemies.

When you renew your membership in FLAME, you help us continue telling Israel's righteous and powerful story to influential people all over the U.S.—including college students—and to all members of the U.S. Congress.

Won't you go to [membership donation](#) now, while you have this message front and center?

I hope you agree that FLAME's mission is critical and deserving of your generous support.

Thank you very much, shalom and sincerely yours,

James Sinkinson, President
