Israel eliminated 31 terrorists meeting in a room in the corner of this Gaza school building—see blackened section, upper left. Hamas originally claimed more than 100 were killed—a fact Western media reported without confirming. Why were terrorists meeting in a school?

## Outrageous New Media Lie: Israel Attacks “School” in Gaza.

No surprise. But outrageous:

Even as Iran gears up to attack Israel for killing Hamas’s “monster-in-chief”—Ismail Haniyeh—in Tehran a few weeks ago, the media continue their shameless slander of the Jewish state.

This time, Israel precisely targeted a Hamas cell meeting in a room in an abandoned Gaza school early morning at 5:00 AM.

Within 20 minutes, Hamas claimed 40 were killed. Twenty minutes later they claimed 100 were killed, offering no evidence.

At 7:10 AM the *Washington Post* reported “Nearly 100 killed in Israeli strike on school.” No mention of terrorists. No mention that school was not in session. No mention of Hamas as the source of these “facts.” CNN, BBC and the *NY Times* multiplied the lie.

Soon after, Israel named the 31 terrorists who were killed—only the meeting room was hit—not the empty school, not the nearby mosque. *No media have issued corrections.*

My friend, we must make sure the American people know the truth about Israel. We can’t stop fighting now. Israel has survived so much, we’ve come so far together . . . the stakes are too high.

We must refute the despicable lies: No genocide, no apartheid, no famine in Gaza, Israel does *not* target civilians—and so many more.

I think you realize that we are truly fighting an *Information War*.

Dear Friend of Israel, Dear Friend of FLAME:

THIS MONTH’S AD APPEARED IN MEDIA REACHING 10 MILLION PEOPLE NATIONWIDE.

**YOU DESERVE TO KNOW THE TRUTH...**

**Stop Terrorism on Campus**  
Attacks on Israel and Jews on scores of American universities have exploded into a jihadi-fueled, violent revolution against American freedoms and values

While protesters violate school rules, state and federal laws—waving and destroying campus property, refusing access to Jewish students and physically attacking those who disagree with their terrorist ideology—provocative college administrators have failed to stop the anarchy!

**What are the facts?**  
Anti-Semitic acts on U.S. college campuses have skyrocketed by 70% since Hamas’ October 7 massacre in Israel—and they’ve become more violent. Jewish students have been harassed, harmed, humiliated, and physically attacked by pro-Hamas demonstrators, reminiscent of Nazi behavior in 1930s Germany. Schoolwide rallies and school rallies have spread against Black, Muslim and LGBTQ+ students, their relatives and pro-Israel students.

Massive campus administrations—and faculty—have become so emboldened, they no longer hide their intent for the United States. They’ve taken down American flags and replaced them with those of anti-Semitic “Palestine.” They’ve taken over libraries as freedom of speech, routinely seize and destroy school property and deny students’ rights to free speech.

**Anti-American and genocidal goals inspired by Islamist terror:** No wonder pro-Hamas protesters parade the motto of jihad: *Allah’s path*. They’ve taken over libraries as freedom of speech, routinely seize and destroy school property and deny students’ rights to free speech.

**A revolution of hate that opposes civil liberties and academic freedom:** This violent revolutionary movement is rooted in neo-Marxism, which divides the world into oppressor and oppressed. The ideology, which holds dominant American university culture, has inspired both critical race theory (CRT) and Diversity, Equity and Inclusion (DEI) policies. It classifies people, organizations and nations into a range of good and evil according to their location on the oppressor-oppressed scale. Oppressors are subject to defeat “in any means necessary”—a slogan seen at many anti-Israel protests. Campus revolutionaries and their faculty members consider Jews, Israel and the U.S. to be “white” oppressors and therefore subject to violent “resistance”—such as breaking into and setting buildings, attacking Jewish students, and preventing “ Zionist” students’ access to their own campus.

College administrators have scandalously failed to do

**their jobs:** Their two foremost responsibilities are to protect students’ safety and academic freedom. That means no tolerance for harassment or intimidation of Jewish or any students. It means honoring the search for truth and free expression—and forbidding “cancel culture.” Finally, administrators must apply policies fairly. If they speak or call for genocide against any ethnic group on campus is not permitted, college administrators cannot allow anti-Semitism or calls for Israeli destruction.

**Four ways Americans can shut down terror on campus.** If college administrators will fail to speak violence and hate speech—and/or fail to protect students’ freedom—should be removed. Students who violate school policies on hate speech, harassment, flag desecration, or trespassing should be suspended or expelled. Faculty who do the same—over those with knowledge—should be fired for cause.

**21 Congress must increase penalties related to anti-Semitic and hateful behavior on campus, on schools and revocation of visas for foreign students who participate in anti-Semitic or anti-Israel activities.**

**31 Colleges should face dire legal consequences for failing to stamp out anti-Semitism.** Already Columbia University faces a lawsuit that alleges “wreck the school” harassment of Jewish students, who have been punched, shamed, spat on, blocked from attending classes and moving freely about campus. Dozens of other U.S. colleges face similar federal lawsuits.

**41 Dozens should withhold gifts from colleges that refuse to act against anti-Semitism.** Many donors have already canceled their giving, including Robert Kraft, CEO of the New England Patriots, who pulled his support from Columbia University due to unacknowledged Jew-hatred.

The current behavior of “pro-Palestinian” activists at American colleges and universities is hateful, harmful and too often unlawful—on terrorism on campus. If your outrage is ignited by Jewish college students were directed against any other ethnic or “harmful” group on campus, it would not be a national law unless, at least, most months and years. *Time to shut down the injustice.*

FLAME is the only organization that defends Israel with paid editorial *hasbarah* messages placed in media nationwide every month: The dire threats from Iran, Hamas and Hizbollah, the injustice of BDS, Palestinian anti-Semitism and more. If you

You no doubt saw the news about Israel “eliminating” three kingpin terrorists last month, including Hamas’s political boss, Ismail Haniyeh!

This was surely a miracle. But we who love the Jewish state know that miracles happen there every day . . . and that [Israel itself](#) is the *greatest* miracle.

But let me tell you about another Israeli miracle—one that [you’re a part of](#):

Every day Israel is violently attacked by Hamas, Palestinian Islamic Jihad, Lebanese Hezbollah and Houthis from Yemen. *Every day!*

Both of us believe (and pray) that Israel can win this [existential war](#) against terror. It has the determination, it has brave young people . . . and it has the firepower.

But the Jewish state also faces a *different kind* of enemy—equally treacherous, equally determined to destroy it—by mercilessly attacking Israel with lies, slander and hypocrisy . . . in [the Information War](#).

- Everyday the Jewish state is viciously, falsely maligned in [major U.S. media](#).
- Everyday, radical [college students](#) blame Israel for Hamas’s savage murders.
- Everyday Israel is falsely condemned by high-profile [United Nations agencies](#).

**Our miracle is this: Even with all Israel’s enemies in the Information War, we’ve helped convince hundreds of millions of Americans to keep the faith!**

Consider this: Even during the antisemitic rampage of student radicals last Spring—on scores of college campuses, U.S. streets and highways—still some [80 percent of Americans](#) continue to support Israel.

Against all odds, Americans steadfastly *reject* the [millions of lies](#) told *ad nauseum* about Israel in newspapers, evening news programs, radio shows and social media.

It’s truly miraculous.

How do [you—how do we](#)—help perform this miracle? How do we ensure that millions of Americans fortify our politicians with the *backbone* to stand strong behind Israel when [other nations abandon](#) the Jewish state?

Above all, I think you’ll agree: A huge part of Israel’s miraculous success comes from us lovers of Israel—like you and me—who [defend Israel](#) . . . with the power of the TRUTH.

- We tell the truth that Israel is one the [strongest democracies](#) in the world and the only democracy in the Middle East.
- We tell the truth that [Israeli Arabs](#) enjoy *more freedom and prosperity* than their brethren in any other Arab nation.
- We tell the truth that Israel’s Defense Force (IDF) is one of the most humane armies in the world . . . one that *never* targets civilians.
- We tell the truth that Jews are the indigenous people of the land of Israel—continuous occupants for more than 3,000 years

Won’t you please go now to [membership donation](#) before August 31, to help Israel win this Information War?

**Why it’s critical that we Americans—  
and the United States—support Israel**

As a friend, I think you know by now: We at FLAME readily and *harshly* criticize politicians—any politician, either party—who [fails to support](#) Israel. That’s why we’ve called out the Biden administration—and many others—for their failings.

But make no mistake: U.S. support of Israel is *vital* for Israel’s survival. Every administration this century, including Biden’s, has [stood strong](#) for Israel—supplied her arms, defended her at the UN, and warned her enemies against hostile actions.

When we tell the truth—and *dispel* the lies—about Israel . . . we help ensure that loyal Americans—and our governments—maintain our [“unbreakable bond”](#) with the Jewish state.

As we speak, U.S. fighter jets, aircraft carriers, warships and missile defense systems are [deployed in the Middle East](#) . . . to counter *threats* from Iran and its allies.

That only happens when Americans know the truth and believe in Israel’s righteous cause. That happens when we spread the word . . . [loud and wide](#) across the U.S.

**It’s no secret: Mainstream media are deceiving the American people**

As you know, most major American media promote their own political agenda—*not* the facts, *not* the truth. We saw how scandalously [they ignored](#), then lied about President Biden’s mental health.

No surprise the media [deceive us equally](#) about Israel’s war against Hamas: Bogus civilian death counts, the famine hoax, the fake Israeli-hostage-rescue “massacre.”

Likewise, the media portrayed pro-Palestinian radicals on campus to be “peaceful kids”—even as they vandalized school buildings, blocked Jewish students from entry and chanted genocidal slogans, like “from the river to the sea, Palestine will be free.”

Virtually *never* did the media condemn those college presidents and deans who allowed the mayhem to erupt . . . and continue for weeks on end.

## HOW FLAME'S NEW EDITORIAL IN MAJOR MEDIA EXPOSES THE HYPOCRISY OF COLLEGE ADMINISTRATORS

While Jewish students were harassed, threatened, physically blocked and attacked at dozens of major universities in recent months . . . school administrators were uniformly negligent in shutting down antisemitic, genocidal hate speech.

If this hypocrisy bothers you, I think you'll cheer FLAME's powerful new ad—which we published on July 7 in the *New York Post*, *Tampa Bay Times*, *Denver Post*, *Chicago Tribune*, *Washington Post*, *Mercury News* and the *Wall Street Journal*.

⇒ “Stop Terrorism on Campus”—this hard-hitting message demands school administrators be held to account and outlines four ways we can shut down terror on American campuses.

I hope you'll support our placement of this ad, which reached millions of Americans nationwide, including *Senators and Representatives* in Washington DC. This ad cost \$139,000—we now have to pay for it. Can you chip in to help us?

Won't you please go now to membership donation before August 31, to help Israel win this Information War?

Yes, our ad expense is large, but our impact is huge. Your tax-deductible donation, of any amount, will help: We're strong in great numbers—our 30,000 FLAME donors make a roar!

**YOU DESERVE TO KNOW THE TRUTH...**  
**Stop Terrorism on Campus**  
Attacks on Israel and Jews on scores of American universities have exploded into a jihadi-fueled, violent revolution against American freedoms and values

*While protesters violate school rules, state and federal laws—tearing and destroying campus property, refusing access to Jewish students and physically attacking those who disagree with their terrorist ideology—quiescent college administrators have failed to stop the insanity.*

**What are the facts?**  
Antisemitic acts on U.S. college campuses have skyrocketed by 70% since Hamas' October 7 massacre in Israel—and they've become more violent. Jewish students have been harassed, barred from entry, and physically attacked by pro-Hamas demonstrators, reminiscent of Nazi behavior in 1930s Germany. Scandalously, while schools forbid hate speech against Black, Muslim and LGBTQ+ students, they refuse to protect Jewish and pro-Israel students.

**Moreover, campus demonstrators—and faculty—have become so emboldened, they no longer hide their scorn for the United States, tearing down American flags and replacing them with those of neo-extremist "Palestine." Finally they reject such civil liberties as freedom of speech, routinely seize and destroy school property and defy rules of law. Authorities have ignored the law-breaking.**

**Anti-American and genocidal goals inspired by Islamist terror:** No wonder pro-Hamas protesters parrot the motto of global jihad sponsor, Iran: "Death to America! Death to Israel!" No surprise, either, that campus protesters cheered Iran's massive missile and drone attack on Israel recently. Their stated goal is to "abolish the state of Israel." Militants support Iran-proxy Hamas's mission to create an Islamist caliphate, as well as the terrorist group's slaughter of some 1,200 innocent Israelis. Finally, the radical advocate "From the river to the sea, Palestine will be free," a demand the U.S. House of Representatives recently declared to be antisemitic—a call for genocide of seven million Israeli Jews.

**A revolution of hate that opposes civil liberties and academic freedom:** This violent revolutionary movement is rooted in neo-Marxism, which divides the world into oppressors and oppressed. The ideology, which today dominates American university culture, has inspired both critical race theory (CRT) and Diversity, Equity and Inclusion (DEI) policies. It classifies people, organizations and nations into categories of good and evil according to their hierarchy on the oppressor-oppressed scale. Oppressors are subject to defeat "by any means necessary"—a slogan seen at many anti-Israel protests. Campus revolutionaries and their faculty mentors consider Jews, Israel and the U.S. to be "White" oppressors and therefore subject to violent "resistance"—such as breaking into and setting buildings, attacking Jewish students, and preventing "Zionist" students' access to their own campuses.

**College administrators have scandalously failed to do**

**Four ways Americans can shut down terror on campus.**

**1) College administrators who fail to punish violence and hate speech—and/or fail to protect academic freedoms—should be removed.** Students who violate school policies on hate speech, harassment, illegal assembly or trespassing should be suspended or expelled. Faculty who do the same—even those with tenure—should be fired for cause.

**2) Congress must increase penalties related to antisemitic and culpable behavior on campus, including violence.** Those should include harsh financial sanctions on schools and revocation of visas for foreign students who participate in antisemitic or unlawful activities.

**3) Colleges should face dire legal consequences for failing to stamp out antisemitism.** Already Columbia University faces a lawsuit that alleges "round-the-clock" harassment of Jewish students, who have been punched, shoved, spat on, blocked from attending classes and moving freely about campus. Dozens of other U.S. colleges face similar federal lawsuits.

**4) Donors should withhold gifts from colleges that refuse to act against antisemitism.** Many donors have already ceased their giving, including Robert Koch, CEO of the New England Patriots, who pulled his support from Columbia University due to uncheckered law-breaking.

*The current behavior of "pro-Palestinian" militants at American colleges and universities is hateful, harmful and too often unlawful—It terrorizes on campus. If recent outrage suffered by Jewish college students were directed against any other ethnic or "marginalized" groups on campus, it would not be tolerated for a minute, let alone great months and years. Time to shut down the terror.*

## HOW FLAME HELPS ISRAEL WIN TODAY'S INFORMATION WAR. HOW WE CAN SPREAD THESE TRUTHS IN MAINSTREAM MEDIA.

My friends, I think you'll agree that the mounting antisemitism and ominous drumbeat of anti-Israel reporting in the media these days is unprecedented . . . and scary.

But here's a bright glow of hope: As you know, for decades FLAME has been at the forefront of the Information War—defending Israel against the wide range of falsehoods her enemies aim at her.

Here are just some of editorial media ads FLAME has run to spread the truth . . . and defend the Jewish state in mainstream media (see hundreds of them under “PR for Israel” at [www.factsandlogic.org](http://www.factsandlogic.org).)

- “The Israel Genocide Slander”—refutes the lie that Israel attacks any people because of race or ethnicity and proves world-class Palestinian population growth: This ad reached nearly 5 million people in the *Washington Post*, *Chicago Tribune*, *New York Post*, *Houston Chronicle* and *Orlando Sentinel*.
- “Demand Justice for Jewish Students”—shows skyrocketing anti-Zionist bullying on college campuses, calls to ramp up prosecution of negligent administrators: Delivered to 5.5 million readers in the *Wall Street Journal*, *Washington Post*, *Chicago Tribune*, *New York Post*, *Houston Chronicle*.
- “What Is Occupied Palestinian Territory?”—proves there's no such thing as “Palestinian territory” and why Israel's governance is lawful and just: It was seen by millions in the *New York Times* and *Washington Post*.

- “The Palestinian Catastrophe”—explains why Palestinians’ real “nakba” was their failure to accept Israel’s many offers of land for peace and their own state: It reached 7 million readers the *Washington Post*, *Los Angeles Times*, *Chicago Tribune*, *New York Post*, *Miami Herald*, *Houston Chronicle* and *Orlando Sentinel*.
- “Democracy Thrives in Israel”—disproves accusations that Israel commits apartheid and shows why Israel is ranked the world’s 23<sup>rd</sup> most successful democracy (ahead of the U.S.): It ran in *New York Times*, *Washington Post*, *Los Angeles Times*, *Chicago Tribune*, *New York Post*, *Miami Herald*, *Houston Chronicle* and *Mercury News*.

### HOW MEDIA AND UNITED NATIONS SUPPORT THE ANTI-JEWISH, ANTI-ISRAEL DRUMBEAT ... AND HOW FLAME FIGHTS BACK

- **UN BLOOD LIBEL:** CNN, Reuters and the Guardian repeat the UN lie: “Israel has been intentionally starving the Palestinian people in Gaza,” according to unnamed “UN experts.”

**FLAME EXPOSES:** I hope you read FLAME’s recent exposé, which proves how Israel supervises tons of food shipped to Gaza, that “starvation” is overstated, and that yet again the culprit is the terrorists: “ [Hamas steals food aid from its citizens, yet the media and politicians blame shortages on Israel.](#)” This message has reached tens of thousands of Americans.

- **FAKE GAZA DEATH TOLLS:** Every day, NPR and other media outlets parrot death statistics issued by Hamas’s notoriously discredited “Gaza Health Authority” without mentioning that the deaths include *17,000 armed fighters*—or that there’s [zero substantiation](#) for their death tolls at all.

**FLAME PUSHES BACK:** To see how many ways Hamas lies about civilian casualties, how the media swallow it all, and how the *real statistics* show that [Israel’s a hero](#) . . . check FLAME’s Hotline article on “[Why the media cite fake ‘death tolls’ in the Gaza war.](#)” Again, we delivered this truth to tens of thousands of Americans.

- **CEASEFIRE SCAM:** The UN, the Vice President, and “stars” at the Academy Awards demand a “ceasefire now”—but neither they nor the media ever explain how a ceasefire would help Israel, the missing hostages, or Palestinians in Gaza. In fact, it would [be a disaster](#).

**FLAME REFUTES:** Truth is, only the war-criminal terrorist group, Hamas, which *started the war* with its [savage massacre](#) on October 7, would benefit from a ceasefire. To get the facts, I urge you to review our hard-hitting article, “[Promoting a Gaza ceasefire ignores the most promising option—Hamas’s unconditional surrender.](#)”

Let me be honest: If we really believe in “Never Again”—and winning the Information War—we must [recommit](#) to defending the Jewish people, the Jewish state . . . and the *truth*.

It means we can’t give up, even for a day—we [won’t stop](#) until we defeat the haters. We must raise our fists and our voices against the rising tide of antisemitic, anti-Israel *slander*.

As you know, at FLAME we believe the most valuable thing we “regular people” can do at this moment to defeat our enemies . . . is to [fight the lies](#) . . . and [spread the truth](#).

A friend recently sent me this quote from Albert Einstein:

*“The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing.”*

Won’t you please go now to [membership donation](#) before August 31 to help Israel win this Information War?

### HELP FLAME PUBLISH THE TRUTH IN MAINSTREAM, SOCIAL AND COLLEGE MEDIA

Unfortunately, since October 7, the falsehoods against Israel have been piling up quickly. Almost as fast as we can refute them, our enemies invent new lies, [each more vicious](#) than the last.

It’s the reason FLAME has created another new editorial ad that I want to share with you here. It’s called “[Israel’s Enemies Tell Five Big Lies.](#)”

**MAINSTREAM MEDIA:** We started running this ad—full sheet size, about 8 ½”x 11”—in the *New York Post*, *Washington Post*, *Los Angeles Times*, and *Chicago Tribune*.

**SOCIAL MEDIA:** FLAME’s robust Facebook campaigns allows us to reach [millions of Americans](#). Already we’re delivering this message—“[Israel’s Enemies Tell Five Big Lies](#)” to social media influencers of all ages.

**COLLEGE MEDIA:** Our latest messages debunking the greatest lies about Israel will begin reaching tens of thousands of college students via digital ads in [college newspapers](#) nationwide in early Spring, as

soon as school is back in session.

**WHAT CAN YOU DO TO SUPPORT ISRAEL TODAY?  
PLEASE STEP FORWARD AND RENEW YOUR FLAME MEMBERSHIP**

How do we decide that now is the time to act? What does it take?

A friend recently sent me this quote from Albert Einstein:

*"The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing."*

If ever in our lives we were called on to defend the Jewish people . . . and the State of Israel—the world's only refuge for Jews—surely now is that time.

Let's not forget the pledge that good people made after Holocaust: Jews and gentiles alike took an oath, declaring, "Never again." *We won't let it happen.*

So many people say they love and support Israel, but they simply don't know how to get involved. They don't have time or they don't have thousands of dollars to give.

I understand completely, but consider: You don't have to donate hours of time, and you don't have to donate \$500 or \$100. You don't even have to donate \$50 or \$25.

You see, FLAME is supported by tens of thousands of members. One by one: We have strength in numbers.

More than 30,000 donors—people just like you, many who make very modest donations, many on fixed incomes—help ensure our good work.

Won't you please step forward today as someone who cares for Israel from the heart . . . someone who recognizes Israel's importance to the United States and the Jewish people?

Won't you please go now to [membership donation](#) before August 31—to help Israel win this Information War?

**PLEASE HELP ISRAEL DEFEND ITSELF AGAINST HAMAS AND IRAN—  
PLEASE HELP US STAND UP FOR THE TRUTH**

I hope you agree that FLAME's editorial messages, which appear in media reaching more than ten million readers—including college students—must continue educating Americans about these and other issues, including anti-Israel anarchy on campus.

I hope you also agree that FLAME's editorials spread the truth about Israel—a truth Americans just won't find in today's mainstream media.

Finally, I hope you agree that Israel needs this kind of public relations—someone like FLAME to tell the inspiring story about the Jewish state—its virtues, values and accomplishments . . . and its strategic importance for our own country.

Who supports FLAME? Our media efforts are made possible by more than 30,000 passionate individual donors who love Israel and everything it stands for. They are people who strongly believe Israel deserves a fair shake in the media.

Thousands of our supporters are of the Christian faith, and we of course welcome their devotion and generosity.

Please be assured that FLAME is an educational non-profit organization and extraordinarily thrifty with the funds that you and other supporters contribute to us.

We work out of Spartan offices, much of our work is contributed pro bono and our part-time office-staff payroll is tiny.

By keeping expenses low, we're able to publish our monthly messages in major national magazines and metropolitan and small-town newspapers all across the U.S.

We also send our messages, with convincing cover letters, to all U.S. Senators and Representatives, the President, Vice President, Secretary of State and all Justices of the Supreme Court.

Won't you step forward— and help us tell the truth about Israel? Please make your tax-deductible [membership donation](#) now, before midnight, August 31.

When you renew as a member of FLAME, you join tens of thousands of ardent Zionists who realize how precious Israel is to the Jewish people—and the world.

*Let me leave you with one thought:* The American people must know the truth about all these issues—no more lies. No more fake stories.

Remember: The only thing limiting international persecution of Israel is the United States. We must continue to protect the Jewish state from her enemies.

When you affirm your membership in FLAME, you help us continue telling Israel's righteous and

powerful story to influential people all over the U.S.—including college students—and to all members of the U.S. Congress.

Won't you renew your commitment to FLAME right now . . . while you have this message front and center?

Thank you very much, shalom and sincerely yours,

James Sinkinson, President
